"Who said anything about enjoying yourself?"

The Bishop
Advocate and Social Media

There's a misconception out there that being a Bishop is all about the robes and the mitre. In fact, it's all about the people. It's about the joy of serving, the joy of leading, the joy of being a part of something bigger than yourself. It's about the joy of being a part of something bigger than yourself.

Executive Communications

Brooklands Media helps you 'recruit, manage and motivate' – boosting executive performance and reducing executive attrition.

First impressions count with arresting induction and training materials.

User-friendly solutions for communicating complex compensation and benefits plans including share-option plans.

Abridged financial data on organisation performance

Organisational development and change management communicated clearly.

How do we deliver? Through our talented in-house Brooklands Media team and strategic alliance with the UK's leading independent recruitment advertising agency, which puts us in a unique position. We are large enough and experienced enough to offer the full range of Recruitment Advertising agency services, with proactive, comprehensive solutions.

Creating Impact:

- The award winning creative team is more than 25 strong
- The investment in technology ensures high-impact ads created with speed and quality.
- The in-house photo library of around 20,000 images keeps costs down
- The reputation is one of professional typography and meeting corporate guidelines
- The quality control system operates to a ten-point checking process – producing quick ads, and correct ads.

Accurate Media Advice:

- An emphasis on media relationships helps secure good positions, last minute discounts and late availability offers.
- Financial clout, built on media spend, creates good working relationships with key nationals, as well as a range of specialist media.
- We can advise on the value of new media as well as traditional media, including developing corporate recruitment micro-sites.
- Extensive media research resources include Media Monitoring Services and JicReg on-line.
- Heavy investment in a state-of-the-art media system covers a vast range of global recruitment media.
